

# ASK THE CLOSET LADY<sup>®</sup>

**Ellyn G. Elstein/President, Creative Closets<sup>®</sup>, Ltd.**

**Why should I choose Creative Closets and what happens when you visit my home?**

**Nancy Adams  
Lehigh Valley, PA**

Creative Closets, Ltd. has served our community for 13 years. It is not a franchise, so we are open to using a vast number of materials and innovative products. We organize all storage areas and specialize in organizing complete built ins for children's rooms.

First, I will look at and measure the closet or storage area that you are ready to organize. Designing a closet is a very personal thing, so taking an inventory of the contents of your closet is extremely important. I find out some vital statistics, such as height and shoe size. Then we are ready to design for you. I can draw up a design sometimes in front of you and

sometimes I need to work on your design back at the office. Our second meeting can be at the showroom or in your home.

Creative Closets is a member of the Lehigh Valley Builders Association and the Better Business Bureau and we work directly with 50 of the areas home builders. We hope when your time is right, you will call Creative Closets. Always remember – The bitterness of poor quality lingers long after the cheap price is forgotten!!! Come visit me, the Closet Lady, at the Lehigh Valley Mall across from Haagen-Dazs today until 6:00 pm
